## 2012 Solstice and Equinox Observation

The architecture in Chaco Canyons indicates a sophisticated calendric system was at use among the ancient people. We continue that tradition in the park today and offer annual observances of spring equinox, summer solstice, fall equinox, and winter solstice. The dates are listed below. Call the Visitor Center at 505-786-7014 or check the calendar of event online a month before the event for details.
